

# Performing Arts Council Audition Conflict Statement

The PAC Executive Board exists, in part, to resolve scheduling conflicts. Everyone who is interested in auditioning for a group must have that opportunity. If you feel that, given the current audition schedule and/or the timing of the Mask & Wig Free Show, you will be unable to audition for every group that you are interested in auditioning for, email [pac-exec@googlegroups.com](mailto:pac-exec@googlegroups.com) and we will set up alternate audition times for you.
